RESEARCH EXPERIENCE FOR UNDERGRADUATES SUMMER 2020

REU

Surf the wave with ASSET Research!

The research projects during the summer program will be centered on the theme of Advanced Secured Sensor Enabling Technologies (ASSET). Students will improve the understanding of the nature of research practice and scientific reasoning and learn the process of conducting research and hands-on knowledge of applied and basic research.

SUMMER PROGRAM DATES

Early Action Deadline: Feb 7, 2020
Regular Deadline: Apr 15, 2020
Research: May 28-Aug 4, 2020

SUMMER LOCATION

Florida International University
11200 SW 8th ST
Miami, FL 33199

INTERESTED IN APPLYING?

To learn more about the program please visit
http://it2.fiu.edu/IT2_REU.php

Work with Faculty in the following research areas:
- Security & Privacy
- Sensor Networks
- Advanced Secure Sensor Enabling Technologies

Why REU at FIU?
- Acquire Research Skills
- Publish Peer-Reviewed technical papers
- Improve oral and written comprehension and communication of technical knowledge
- Spark an interest in continuing relevant research in graduate.
- And of course, students will spend a summer in Miami with its excellent beaches and warm waters

In addition to the $6000 stipend we provide:
- Housing
- Meal Stipend
- Travel reimbursement
- Access to University amenities

Activities include:
- Training on Research Skills
- Technical and Professional Seminars
- Faculty and Peer Mentoring
- How to apply and success in Grad school

Social events may include:
- Trips to South Beach
- Trips to the Everglades
- Summer Concerts and Festivals

Education Eligibility:
Applicants must be U.S. Citizens, U.S. Nationals, or permanent residents of the United States.
