

Hiring Math Tutors in Oakville

Job Description

Liberty Tutoring is a leading 1-on-1 home tutoring company, offering services to elementary and high school students. Founded in 2004, the company has been able to establish a solid reputation for its high standard of private education.

We are currently looking for talented high school math tutors to join our team in Oakville. As a Liberty Tutor, you would be responsible for helping our students accomplish their academic goals, by designing customized lesson plans for them.

We offer a steady stream of students with a flexible schedule, which will be based on your availability.

Qualifications and Requirements

- Previous tutoring / mentoring experience
- Solid knowledge of the Ontario high school math curriculum
- Excellent academic merit
- Outstanding teaching skills
- Professional and reliable
- Very strong organizational skills

Salary

\$21.50/hr
