

Are you thinking about graduate studies?

Applying to Grad School Information Session

with Associate Professor & Associate Chair, Graduate Studies
Angela Demke Brown

and Director of the Master of Science in Applied Computing (MScAC) program
Assistant Professor, Teaching Stream, **Matt Medland**

Tuesday, October 17

11:00 AM - 12:00 PM

Bahen Centre, Room 2185

What is grad school like? How do you prepare a strong application? • Applied Computing (MScAC) vs MSc/PhD? • What can I do now, to give myself the best advantage?
All of your questions and more, answered!
