

AI4Good.

NOW ACCEPTING APPLICATIONS

About the Lab Join the AI4Good Lab, a tuition-free machine learning bootcamp and AI project incubator for women-identified STEM students and graduates across Canada. Leverage your creativity, leadership, and technical skills to generate AI solutions for some of the world's most pressing problems.

The Montreal & Edmonton Programs

The AI4Good Lab will be offered virtually from two host cities this year. Join the Montreal program, run by the Lab Headquarters, or join the Edmonton program, hosted by Amii (the Alberta Machine Intelligence Institute). Both programs will run simultaneously as separate, but sister entities.

Apply to one or both programs and join the hundreds of women across Canada who have benefited from education, mentorship, and career opportunities in the global AI ecosystem.

Program Dates May 3rd to June 22nd, 2021
